

Stay Connected

UltraTileFix, home to premium tile adhesives, grouts and levelling compounds, have created a variety of communication channels to help their customers access information in a way perfectly suited to them.

The UltraTileFix website features extensive product advice, technical and safety datasheets and product calculator to help you work out exactly how many bags of product you need for your next project.

What's more, visitors to ultratilefix.co.uk will also have access to handy technical guides, warm and cold weather working guides plus all the latest news and case studies from UltraTileFix HQ.

Have you ever been working on-site and needed to check the capabilities of a product but not had any internet signal to make a phone call or access a website? If so, the Instarmac Product Planner App is for you! Free to download from the AppStore and GooglePlay, the Instarmac Product Planner App is a convenient way of accessing product information in an instant.

Do you have Twitter? Follow [@UltraTileFix](https://twitter.com/UltraTileFix) for the latest product innovations and developments, news, competitions, trade events and product reviews. Have you completed a project using UltraTileFix products? Send your before and after photographs to [@UltraTileFix](https://twitter.com/UltraTileFix) who will share your success with their thousands of followers.

For all things technical, head over to UltraTileFix's sister channel - [@UltraTileFixTec](https://twitter.com/UltraTileFixTec).

Prefer to connect with the tiling community on Facebook? Discover all things UltraTileFix by visiting [Facebook.com/UltraTileFix](https://www.facebook.com/UltraTileFix) and Liking their page.

For hints and tips on how to create the latest tiling trends, take a look at UltraTileFix's brand new blog by visiting instarmac.co.uk/ultratilefix-blog. The UltraTileFix blog is full of inspirational content on some of 2018's most popular tiling themes, including 'How to Create your Perfect Outdoor Living Space', 'Pantone of the Year' and 'Botanical Tiles and Interiors'.

What's more, each blog post is accompanied by a Pinterest board, where visitors can find even more inspiration on the latest must-have tiling trends. Follow UltraTileFix on Pinterest by visiting [pinterest.co.uk/InstarmacGroupLtd](https://www.pinterest.co.uk/InstarmacGroupLtd).
