

## GUIDANCE DOCUMENT – UK REACH COMPLIANCE STATEMENT

BASA have created the following statement that can be used by UK Manufacturers of Adhesives and Sealants to answer questions about the future UK REACH compliance of their mixtures.

### STATEMENT

The new UK chemical regulation, UK REACH (Registration, Evaluation, Authorization and Restriction of Chemicals), will enter into force on 1 January 2021. On 19 October 2020 the Department for the Environment, Food and Rural Affairs (Defra) issued the fourth amendment to the UK REACH Statutory Instrument (SI), which was laid before Parliament and will go through parliamentary process.

*<Name of BASA Manufacturer>* currently meets all EU REACH requirements (EC 1907/2006) and will meet all UK REACH requirements when they are ratified and is committed to provide our customers with information about the chemical substances in our products according to UK REACH regulation.

All our products are mixtures according to the definition of UK REACH regulation.

Based on *<Name of BASA Manufacturer's>* commitment to put concern for the environment as a priority in all our business activities so as to protect people's safety and health as well as the world's natural resources, *<Name of BASA Manufacturer>* supports the overall goal of UK REACH and is committed to comply and to fulfil all legal obligations.
