The School

Established in 1991, Newton Prep is a thriving school for children, aged 3-13. The School is unashamedly ambitious for its pupils who have access to outstanding facilities. We want them to achieve their academic potential whilst also engaging in sport, art, music and drama. In the School, there are currently over 650 pupils from Nursery to Year 8.

We want the children to involve themselves in the total life of the School, which includes after school clubs and activities and a wide range of trips. We celebrate the diversity of our pupils; we want our children to develop a strong sense of community, learning how to make a positive contribution to the community of Newton Prep and the world around them. The ethos and philosophy is one that is based on mutual respect and kindness shown to others.

Our Vision is to provide the children in our care with a first-rate education in the knowledge that time is precious and irreversible. The education we provide has a strong academic base and an imaginatively broad curriculum giving a rich learning experience for all children including provision for children with a range of abilities, including those with high aptitudes in specific subjects. Moreover, the Newton education has a lasting impact as children progress through their school years and throughout their lives, developing both intelligence and character. Our atmosphere is full of happiness and enthusiasm with a sense of purpose and achievement as both pupils and staff aim high. Good governance bolsters these aspirations. We focus on developing ambition in the children so that they move on to the most appropriate

senior school. Newton Prep is a model for best practice in all aspects of prep education.

The School places a strong emphasis on the education of the whole person. We attach great importance to the teaching of Art, Drama, Music and Sport as well as the more academic subjects. Our curriculum and extensive co-curricular programme, together with the House system, reflect the School's commitment to providing both high quality learning opportunities and strong pastoral support so that our pupils have the best opportunities to achieve their full potential and are successful in all areas of school life.

Fundamentally, we want Newton Prep children to enjoy their precious childhood years.

The Music Department

Music plays a central role in the life of Newton Prep: children love their music lessons and engagement with the subject is very high. Music is taught by a specialist teacher from the very beginning of a child's time with us and continues through to the end of Year 8. Outside the classroom, pupils have the opportunity to participate in a wide range of choirs and ensembles before and after school. There are regular recitals, concerts and performances both in school and at venues throughout the UK and abroad.

The full-time staff comprises the Head of Music, Head of Choirs, Ensembles and Performances, three music teachers and a Head of Strings. The Music & Drama Administrator supports the Head of Music and Head of Choirs, Ensembles and Performances in the running and management of the Music Department. There are 22 part-time Visiting Music Teachers (VMTs) teaching a wide range of instruments. Over 56% of pupils are currently receiving individual lessons each week. Each year a number of very talented musicians go on to their senior schools with music scholarships and exhibitions.

The Music Department has truly first-class facilities with a 108-seat Recital Hall with live streaming and recording facilities. A new and dedicated 800sqm teaching space was created for regular class music lessons, choir and ensemble rehearsals.

In addition, the Music Department has a recording studio, Music Technology Mac Suite and ten practice rooms with pianos. There are three grand pianos across the principal teaching and performances spaces. Music Tech has been incorporated into the KS2 and KS3 curriculum. There is a good stock of classroom instruments and the school has its own instrument hire scheme.

Singing is very strong at Newton Prep, with 241 children engaging in weekly choir rehearsals across the week. The Training Choir regularly perform at concert venues around London. In the Summer of 2023, they performed a 5 day tour in Dublin. String playing is similarly popular, with 46 pupils learning stringed instruments. Pupils regularly perform with professional musicians and the school offers masterclasses and educational visits. In 2022, we celebrated the School's 30th birthday with a concert at St John's Smith Square alongside the English Chamber Orchestra and Voces8.

Most recently we celebrated our End of Year at Holy Trinity, Sloane Square, a much loved venue where we also host our annual Festival of Carols concerts. In 2020 and 2022 we commissioned a series of videos to showcase the children's work in place of our annual Christmas Concert. A sense of music at Newton Prep can be experienced [here](#).

Summary of the Role

We are seeking to appoint an inspiring, committed and highly-skilled Visiting Music Teacher (VMT) Guitar, to join a first-class Music Department. The Music Department is well resourced and, as such, there are many opportunities to support extra-curricular activities through additional group coaching and to accompany concerts and pupils at the direction of the Head of Music, Head of Choirs, Ensembles and Performances.

VMTs are recruited by the Head, Head of Music and Head of Choirs, Ensembles and Performances. They are responsible to the Head, via the Head of Music and Head of Choirs, Ensembles and Performances, in all matters relating to performance, ensembles, recruitment and pupil progress and the day-to-day management of their timetables.

The successful candidate will be an outstanding teacher with a passion for inspiring our youngest musicians to perform to the highest possible standard, as well as being an active performer in their own right.

VMTs are self-employed and invoice parents directly each term. They are expected to communicate with parents to arrange lessons, organise payment and report on progress. The appointment is in addition to the current team of 22 VMTs teaching over half of the pupils at Newton Prep.
