

Newton Prep Music Department

Appointment of a Piano Teacher(s)

Starting September 2021

£46.38 per hour | 2 Days a week

We are seeking to appoint an inspiring, committed and highly-skilled Piano Teacher to join a first-class Music Department from September 2021.

The successful candidate will be an outstanding teacher with a passion for inspiring our youngest musicians to perform to the highest possible standard as well as being an active performer in their own right.

The appointment is in addition to the team of current VMTs. Currently, there are six piano teachers within the Music Department teaching over 100 pupils each week.

The successful candidate(s) will take over at least two day's teaching, equating to approximately fourteen hours. There is an appetite for learning at Newton Prep and there is every possibility of increasing pupil numbers through significant support and guidance from the Director of Music in targeting and encouraging new learners.

Newton Prep is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. The successful applicant will be expected to undergo an enhanced DBS disclosure check including a Barred List check

THE POSITION

Visiting Music Teachers are recruited by the Headmistress and Director of Music. They are responsible to the Headmistress, via the Director of Music, in all matters relating to performance, ensembles, recruitment and pupil progress and the day-to-day management of their timetables.

Visiting Music Teachers are self-employed and invoice parents directly each term. The rate is currently set at £46.38 per hour. Visiting Music Teachers are expected to liaise with parents to arrange lessons, payment and progress.

The Music Department is well resourced and, as such, there are many opportunities to support extra-curricular activities through additional group coaching and support and to accompany concerts and pupils at the direction of the Director of Music.

THE SCHOOL

Established in 1991, Newton Prep is a thriving school for boys and girls, aged 3-13. The School is unashamedly ambitious for its pupils who have access to outstanding facilities. We want them to achieve their academic potential whilst also engaging in sport, art, music and drama.

We want them to involve themselves in the total life of the School, which includes after school clubs and activities and a wide range of trips. We celebrate the diversity of our pupils; we want our children to develop a strong sense of community, learning how to make a positive contribution to the community of Newton Prep and the world around them. The ethos and philosophy is one that is based on mutual respect and kindness shown to others.

Fundamentally, we want Newton Prep children to enjoy their precious childhood years.

In the school, there are currently over 640 pupils from Nursery to Year 8.

Newton Prep is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

THE MUSIC DEPARTMENT

Music is a central part of the School's offering. The full-time staff comprises of the Director of Music, two music teachers and a Music Administrator, who assists with the day-to-day running of the Music Department. In addition, there is a team of nineteen Visiting Music Teachers and a dedicated Singing Teacher for the School's Training Choir (a choir formed of 24 children from the Upper School whose membership is by invitation only).

The School offers individual tuition on most orchestral instruments and approximately 60% of pupils are currently receiving individual lessons each week. M:Tech Music Technology sessions are also available as an after school activity.

The Music Department has truly first-class facilities. In 2018 the 120-seat recital hall was refurbished and is fully iPad controlled with recording facilities and a grand piano. Most recently, a new and dedicated teaching space has been created for regular class music lessons and ensemble rehearsals. In addition, the Music Department has a recording studio, Music Technology Mac Suite and ten practice rooms with pianos. There are two excellent grand pianos, in the Recital Hall and the Auditorium. Both grand pianos in the Department are available for teaching and practising by arrangement.

Through their participation in choirs and ensembles, pupils are taught how to demonstrate commitment and team-work: they are expected to both work hard and enjoy their rehearsals so that their performance shines as a product of practice, creativity and flare. Pupils have many opportunities to perform and there are a good number of concerts, recitals and other performance opportunities throughout the School year. In the Lower School, pupils have the opportunity to join a number of extra-curricular groups outside of the timetabled school day.

In the Upper School (Years 3-8), pupils participate in a range of extra-curricular activities. Singing is strong, with over 140 children participating in weekly choir rehearsals. String playing is similarly popular, with over 50 pupils learning a stringed instrument. Pupils regularly perform with professional musicians and the School offers masterclasses and educational visits in music for all pupils.

A TASTE OF MUSIC AT NEWTON

2020 and 2021 have been two challenging years for music and musicians. Newton Prep commissioned a series of videos to showcase the children's work in place of a Christmas Concert. A sense of music at the School can be captured through this series [seen here](#).
