February/March 2020

Dear Applicant,

Director of Music

Thank you for your enquiry about the teaching post that we are currently advertising.

We wish to appoint a full-time or part-time qualified teacher at the start of the Autumn Term 2020 to lead the teaching of Music across the school. Music is a highly successful and flourishing subject, timetabled and taught by specialists in all classes from Nursery to Year 6, and we are seeking a creative and dynamic teacher to inspire further development and success.

If appointed full time, the successful applicant will, in addition to Music, spend some time teaching other subjects (dependent on expertise) and be a form teacher. A part-time appointee will teach Music only.

There is a very successful choral tradition at the school, with four choirs and regular competitions and performances, so choral expertise is essential as well as a high level of competency as a pianist. A wide range of instruments is taught by peripatetic teachers, and several ensembles meet each week to practise. Our young musicians perform regularly in music assemblies and concerts.

The successful applicant will be a strong all-rounder, with excellent ICT skills (all classrooms have interactive whiteboards and access to laptops and tablets), and the ability to inspire devotion and diligence, encourage high standards of attainment in all areas, liaise closely with colleagues and parents, and create an atmosphere of care and interest for the children. The children are diligent, conscientious and well behaved, and we have excellent parental support.

The person appointed will be joining a remarkably dedicated, experienced and friendly team of teachers. CPD is given a high priority, and all teachers are supported in their professional development. We offer a generous salary scale and pension.

St. Helen's College is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Employment at the school is subject to a satisfactory DBS Disclosure at Enhanced level.

Pre-application visits are welcomed: please telephone Su Smith on 01895 234371 to make an appointment if you would like to visit.

An application form is available at www.sthelenscollege.com and applications should reach the school by the closing date of **Monday 24th February 2020.**

We look forward to receiving your application.

Yours sincerely,

Mrs. S. Drummond
Head
