The School

Established in 1991, Newton Prep is a thriving school for children, aged 3-13. The School is unashamedly ambitious for its pupils who have access to outstanding facilities. We want them to achieve their academic potential whilst also engaging in sport, art, music and drama. In the School, there are currently over 650 pupils from Nursery to Year 8.

We want the children to involve themselves in the total life of the School, which includes after school clubs and activities and a wide range of trips. We celebrate the diversity of our pupils; we want our children to develop a strong sense of community, learning how to make a positive contribution to the community of Newton Prep and the world around them. The ethos and philosophy is one that is based on mutual respect and kindness shown to others.

Our Vision is to provide the children in our care with a first-rate education in the knowledge that time is precious and irreversible. The education we provide has a strong academic base and an imaginatively broad curriculum giving a rich learning experience for all children including provision for children with a range of abilities, including those with high aptitudes in specific subjects. Moreover, the Newton education has a lasting impact as children progress through their school years and throughout their lives, developing both intelligence and character. Our atmosphere is full of happiness and enthusiasm with a sense of purpose and achievement as both pupils and staff aim high. Good governance bolsters these aspirations. We focus on developing ambition in the children so that they move on to the

most appropriate senior school. Newton Prep is a model for best practice in all aspects of prep education.

The School places a strong emphasis on the education of the whole person. We attach great importance to the teaching of Art, Drama, Music and Sport as well as the more academic subjects. Our curriculum and extensive co-curricular programme, together with the House system, reflect the School's commitment to providing both high quality learning opportunities and strong pastoral support so that our pupils have the best opportunities to achieve their full potential and are successful in all areas of school life.

Fundamentally, we want Newton Prep children to enjoy their precious childhood years.
