STONYHURST

Welcome to STONYHURST

Stonyhurst College is the UK's leading Catholic co-educational boarding and day school for pupils aged 3-18. Boarding is from the age of 7.

At the College, there are approximately 650 pupils aged 11-18, two thirds of whom are boarders. At Stonyhurst St Mary's Hall, the adjacent dedicated preparatory school, there are around 200 pupils aged 3-11. Stonyhurst is set in stunning countryside, near the Ribble and Hodder rivers and the beautiful Trough of Bowland. Manchester is only about an hour away by road or rail. The market town of Clitheroe is four miles away, and we are 12 miles from the city of Preston. The Lake District can be reached in about an hour, and the Yorkshire Dales are even closer.

Stonyhurst has a fascinating heritage, being the oldest continuously active Jesuit school in the world. It was founded in St Omer, Northern France (then the Spanish Netherlands), in 1593, and moved to its present site in Lancashire's beautiful Ribble Valley in 1794. Throughout the years of religious persecution in England, Stonyhurst educated the boys of the English Catholic aristocracy and gentry.

The College's Ignatian mission and identity, and its sense of family, set Stonyhurst apart from other schools. Pupils are urged to do as much as they can (*Quant Je Puis*) for other people following the example of Jesus Christ and following in the spirit and charism of the Jesuits. The College prepares young people to change the world for others.

Stonyhurst is a family where heritage and innovation are fused to inspire young people to be agents of change in the world.

Letter from THE HEADMASTER

The focus of a Jesuit education is on human excellence and this provides us with our mission. As the oldest continuously existing Jesuit school in the world we have the privilege and responsibility to live this mission in the most authentic way possible. This is an exciting time in the history of Stonyhurst, with a new strategic plan committed to the highest quality of Jesuit formation and the continuous development of our historic Estate over the coming years.

Working at Stonyhurst College and St Mary's Hall offers an outstanding opportunity to help young people change the world for others. We offer a warm and nurturing environment, balancing the best of our history with ambitious aims for the future. Academic excellence, faith that does justice, perspectives and horizons and sustainability and accessibility form the themes of our work. Each school year brings new challenges and opportunities.

Our pupils are stretched and challenged by inspirational teaching and we take great pride in ensuring our staff and pupils are "men and women for others". Central to the safeguarding and well-being of our pupils is our talented and committed

staff body, both inside and outside the classroom.

Our teachers share a passion for education and young people whilst our support staff engage children at all levels, combining to create a diverse learning culture and home for our pupils. We offer an unrivalled range of co-curricular options and colleagues from all areas are encouraged to be involved in the many wonderful trips, expeditions, fixtures, societies, concerts and plays.

Stonyhurst employs around 300 salaried staff, of whom nearly 40% are academic. In 1999 we opened our doors and admitted girls of all ages on the same term as boys, becoming a fully co-educational school. Reflecting the constitution of our co-educational pupil body, over half of our academic staff are female.

As Headmaster, my commitment to our staff and pupils is that they are given every opportunity to thrive and flourish during their time as part of our school community.

Thank you for your interest in Stonyhurst. I hope that this information pack will encourage you to go ahead with an application that may lead to your career development in this vibrant and supportive community.

John Browne Headmaster

Community.

ACTION

THE Role

We are currently seeking to appoint an exceptional musician to join Stonyhurst as a Choral Director, delivering a School's Singing Programme to twelve local Primary schools.

We offer this programme through funding from the National Schools' Singing Programme and the Hamish Ogston Foundation. The aim of the NSSP is to combat declining availability of specialist music lessons for children and to provide pathways for musically talented young people to go on to attend some of the country's leading universities and conservatoires.

Key Responsibilities

- Develop singing in primary schools in our area
- Contribute to the building of relationships with existing and new schools through delivery of high-quality weekly curriculum-time singing sessions
- Provide CPD to teachers at partner primary schools, supporting the integration of music into school life
- Establish, recruit and direct after-school choirs
- Contribute to the musical life of the region

The Department

The Music Department is a busy and growing department which engages with every pupil every week through whole-College hymn practice. Around a quarter of pupils take individual instrumental lessons and are part of the ensemble system, which there is considerable scope to expand in the coming years.

Choral music and the musical contributions to the liturgical life of the College are at the centre of the pupils' musical experience. Our vision is for singing to be a key access point for young musicians of all abilities, harnessing the traditional Jesuit Playroom (year-group) system to create a ladder of vocal ensembles culminating in a flagship choir capable of a wide range of both sacred and secular repertoire.

Schola Petri sings at the weekly Mass in St Peter's Church each Sunday, as well as at major religious and College feasts.

We have a partnership with Liverpool Metropolitan Cathedral and an annual trip to the Church of the Immaculate Conception in Mayfair, as well as being able to call upon the national and international network of Jesuit schools and other institutions for collaborative opportunities.

Music is a significant growth area at Stonyhurst: the Headmaster and Senior Deputy Headmaster have both held Director of Music positions, and several other staff outside the department are accomplished players and singers.

WHY YOU SHOULD JOIN A TEACHING TRADITION *that stretches back nearly 500 years*

If you come to work at one of the eleven Jesuit schools in Britain you will become part of a wonderfully rich educational tradition that is five centuries old and spans the globe. The Society of Jesus, founded by St Ignatius Loyola, opened its first school in 1548 in Messina, Sicily, and today there are over 2,000 Jesuit and associated schools, large and small, in almost every country in the world, working with over one million young people.

As a global organisation with a worldwide mission, whichever Jesuit school you work in, in whatever part of the world, you will have shared goals and be supported in your common mission. These goals can be summarised in the following way.

In Jesuit schools we are committed to developing excellence in our young people, but always understood as human excellence. Whilst we want every young person to achieve their academic potential, there is more to being human than passing exams. We encourage our students to develop deep-

rooted qualities of both heart and mind, and to be compassionate and committed to working for a just world. A Jesuit school is judged not simply by its academic results but also by how its school leavers grow to be competent, caring and committed adults.

Concern for social justice is high on our list of priorities and in school we provide opportunities for our students to reflect on injustice, to develop their conscience and to make informed choices. When and where possible these choices should lead to action in school, in local communities, and in wider society. A particular concern for all Jesuit schools is care for creation and ecological concerns.

We live in a plural society and world, and this diversity and difference is welcomed and understood in our school communities as gifts to be celebrated in order to create a more inclusive society.

Like all good schools we seek to build strong and caring communities, but in Jesuit schools we have a particular

commitment to caring for the individual. We recognise that people are different and we want to accompany our young people as individuals, recognising their particular gifts, talents, strengths and weaknesses, and giving them hope for the future.

Jesuit schools are Catholic, and like Catholic schools throughout the world we share a commitment to helping parents bring up their children, encouraging reflection, prayer, religious commitment, and service to others. In this we are inspired by and faithful to the Gospel of Jesus Christ. We welcome those who are Catholic, from other Christian Churches, and those who belong to other faith or religious traditions or are of no religious tradition. Anyone who wishes to teach or learn at one of our schools must come with an open mind ready to appreciate and learn from the Christian message and that of other traditions.

Jesuit PUPIL PROFILE

The Jesuit Pupil Profile has been developed by the schools of the British Jesuit Province as a successor to the Jesuit School Leaver Profile published in 1995. The new Jesuit Pupil Profile was launched in the schools in the autumn term of 2013. The JPP proposes eight pairs of virtues that sum up what a pupil in a Jesuit school is growing to be.

Pupils in a Jesuit school are growing to be...

Grateful for their own gifts, for the gift of other people, and for the blessings of each day; and **generous** with their gifts, becoming men and women for others.

Attentive to their experience and to their vocation; and **discerning** about the choices they make and the effects of those choices.

Compassionate towards others, near and far, especially the less fortunate; and loving by their just actions and forgiving words.

Faith-filled in their beliefs and **hopeful** for the future.

Eloquent and **truthful** in what they say of themselves, the relations between people, and the world.

Learned, finding God in all things; and **wise** in the ways they use their learning for the common good.

Curious about everything; and **active** in their engagement with the world, changing what they can for the better.

Intentional in the way they live and use the resources of the earth, guided by conscience; and **prophetic** in the example they set to others.

All that you can be.
